COMMITTEE REPORTS

There were no committee reports.

PRESIDENT'S REPORT

Dr. Zickafoose noted that this is her first Board meeting as President, and is looking forward to working with Board members in the future. Delaware was the 25th state to enact in to law the enhanced Nurse Licensure Compact (eNLC). Dr. Zickafoose announced that NBCRNA are now members of the NURSUS database.

Lastly, Dr. Zickafoose advised the Board that she intends to participate in NCSBN's President's Conference call scheduled during the week of July 17, 2017.

EXECUTIVE DIRECTOR'S REPORT

Mr. Mangler informed the Board that the CRNA database will allow the Board to move towards using NURSUS as the single primary source verification of national certifications and licensure for APRNs.

Mr. Mangler attended the eNLC Transition Commission meeting which was held on June 29 – 30, 2017. The purpose of the meeting was to complete the initial draft of a month-by-month, six month roll-out plan for the eNLC that is not yet finalized. The plan heavily focuses on communication strategies and messaging. The implications around grandfathering will be complex. There are five states that will remain in the old compact after the eNLC becomes active. Those states are currently working on eNLC legislation.

Mr. Mangler will be attending the NCSBN Annual Meeting with Dr. Zickafoose and Dr. Williams, which will be held August 16 – 18, 2017. He and Dr. Zickafoose will also be attending the Nurse Licensure Compact Administrator meeting which is scheduled for August 15, 2017.
